### **DETAILED ACTION**

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action or the MPEP.

#### ***Claim Rejections - 35 USC § 102***

Claims 1 and 2 are rejected under 35 U.S.C. 102(b) as being anticipated by Wallace, US 2,667,875. Wallace discloses an inelastic balloon (column 1, lines 33-34) made of a soft resin which is arranged around the tubular member 12 in the deflated state. See column 3, lines 51-60 regarding the method of inserting into the urethra. Inherently, this balloon has gathers and folds in this state. See also figure 2. Here the Wallace balloon is shown deflated in figure 2 but with a little bit of air so that the structures can still be seen. Obviously if the air were entirely removed the balloon would have gathers and folds. Further, a deflated balloon could be arranged in anyway to put gathers and folds anywhere. Such is the nature of inelastic balloons.

#### ***Allowable Subject Matter***

Claims 3-5 are allowed.

#### ***Response to Arguments***

Applicant's arguments with respect to claims 1 and 2 have been considered but are moot in view of the new ground(s) of rejection.

Art Unit: 3762

***Conclusion***

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
